The Future Built

On The Past

OUT OF a past rich in tradition and heritage McKendree is going forward to a more glorious future. A future built on the many years of Christian atmosphere and influence which have endowed her many students with Christian character, conduct, and citizenship. A future of which all of us shall be proud.

McKendree has undertaken a campaign to obtain financial aid to insure her rightful place as a Christian institution in the future. A new science hall and gymnasium and many other improvements are planned. The success of the campaign will enable McKendree to continue the wealth of Christian influence which has been effective for over a century.

This then—the future, built on the past—is the theme of our annual. A future which will continue her rich tradition and heritage. A future in which she may continue to say—"Christian without apology and Methodist with pride."

Oliver H. Kleinschmidt

The 1948 McKendrean Staff proudly dedicates this book to you, Professor Kleinschmidt. The fact that you have been on the campus for so many years is proof that you have been admired and respected by all.

The students who have come in contact with you will long remember your strong influence as a man of Christian character and high educational ideals. You have given unselfishly of your time to the students and they will never forget the influence of your musical talent.

CARL C. BRACY, A.B., Th.M., D.D.
President

As their leader, President Carl C. Bracy has won the hearts and admiration of the faculty. His friendliness, versatility, and sense of humor have endeared him to the entire student body. Both faculty and students feel that there is no one more capable of guiding McKendree's future. He was at one time a student at McKendree and knows well the traditions and heritage of her past. Now, as her president, he has great plans for her future. With President Bracy as her guide all of us are confident that this future will be even more glorious than the past.

During its meetings this group has written and read original compositions and studied the classics and contemporary literature. One issue of the Review was sponsored in order to publish original compositions donated by McKendreans.

Sigma Tau Delta received a number of pledges into membership this year.

Not only has she benefited and improved as an organization but also in her desire to make the Platonian Society in the minds of McKendreans that which Plato is among philosophers.

PHILOSOPHIAN LITERARY SOCIETY

Philo, with one of its largest memberships in the history of the society, continued in its one hundred and eleventh year in grand style. Open sessions, The Glenn McCormack Oratorical Contest, and various selected closed sessions highlighted the year's activities.

Money was donated by both alumni and student Philosophians to redecorate the Old Hall. As an eventful year draws to a close, the star in Philo Hall is still shining brightly.

The highlights of its successful year were two initiations, the Amanda Glen Declamation Contest, and several open sessions, including the traditional Sadie Hawkins' session.

McKENDREE EX- G. I. CLUB

The McKendree Ex-G. I. Club opened its fourth semester of activity in the fall of 1947. Social meetings were held and further meetings and activities were planned for the second semester.

Dean Van Winkle, a former Major in the United States Corps of Chaplains, was given an honorary membership in the organization.

The council consists of six faculty members, chosen by the President and Chairman of the council, Dr. Carl Bracy, and six members representing six groups of students.

The Constitution of this organization was revised during the year.

STUDENT CHRISTIAN ASSOCIATION

The Student Christian Association has completed its second successful year. The emphasis has been placed on the challenging of the students in higher living and to greater service.

Every Wednesday evening the students gathered in Clio Hall to unite their hearts and their voices in Christian fellowship Visiting speakers brought to the group a diversified program. Several all-school parties were also sponsored by the group.

McKENDREAN STAFF

As the 1948 McKendrean goes to press, the staff's pleasant dreams of a task well done are mingled with nightmares of past events, namely: picture-taking days, ads to be sold, students to be classified, and deadlines to be met.

Looking back it has, however, been a worthwhile experience. What this year's staff lacked in experience was more than compensated for by its enthusiasm. The annual stunt show was again sponsored by the group.

ALPHA PSI OMEGA

The Alpha Theta cast of Alpha Psi Omega is the national honorary fraternity for dramatics on the campus. Its purpose is to develop and promote dramatic interests in the student body.

It elects as members those students who distinguish themselves in college dramatics.

The McKendree College Public Affairs Forum was organized October 9, 1947. This was the first international relations group on the campus in many years. Its purpose is to discuss current national and international public affairs in an open forum. Prof. Nell G. Oppitz and Prof. L. K. Fox are the faculty sponsors.

Outstanding discussion leaders were Father John Francis Bannon, director of the department of history at St. Louis University, and David Wilson, regional representative of the C.I.O.

INTERNATIONAL STUDENT SOCIETY

The International Student Society, now in its fifth year, was organized for the purpose of promoting international friendship and improvement of cultural relations between all nations through correspondence with students.

Membership is limited to those who have had at least one year of foreign language. In its monthly meetings this society studies the customs of other countries. It also sponsored an assembly program and took part in the all-school stunt show.

Since the inauguration of the programs, various McKendree alumni, college students, and campus guests were interviewed. Numerous talented music students gave both individual and participating recitals over the air.

KAPPA CHI

The Beta Chapter of the national Kappa Chi Fellowship was established on the McKendree College campus in 1944. It is composed of students who are preparing for full-time Christian service. Its aims are to furnish Christian fellowship to the group as well as to provide inspiration and information concerning the future work of the members. These aims are furthered in monthly formal sessions and in various social gatherings.

The organization numbers about 40 members this year with the following elected officers: Clyde Funkhouser, President; Don Zimmerlee, Vice-President; Bill Russell, Secretary-Treasurer. Dr. Meredith F. Eller is Faculty Sponsor.

CHORUS

The college chorus, under the direction of Chester A. Bagg, enjoyed a successful 1947-48 season.

Highlights of the season were the presentation of Handel's "Messiah" on December 14, the spring tour in April, and several broadcasts over WIBV, the Belleville radio station. The group also sang in chapel, at important organization meetings, and had a spring concert.

Officers were: President, Jean Smith; Librarians, Orville Schanz and Mable Cozart; Secretary-Treasurer, Ella Jones.

CHAPEL CHOIR

This double quartet was organized for the purpose of providing sacred music for the chapel programs. The group also presented music in Carlyle and Belleville. The choir was under the direction of Chester A. Bagg.

MEN'S OCTETTE

This musical organization has provided entertainment for special school functions and has represented the college by appearing in activities outside the school. The members composing the Men's Octette were selected from the chorus, although selection is not necessarily determined by membership in the chorus.

Many beautiful and unusual arrangements have found their way to the listening ear through the efforts of these men and their director, Prof. Chester A. Bagg.

WOMEN'S SEXTETTE

The Women's Sextette has provided music for special school occasions and has, upon special request, represented the college in outside communities.

The future plans of this progressive organization includes a spring tour and special music for the spring conference and for the local Dames' Club meetings.

This organization is under the direction of Miss Margaret Sapp.

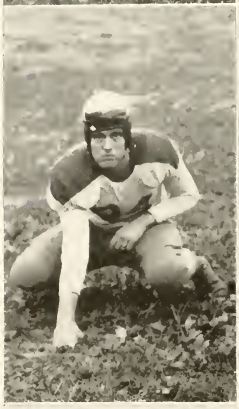
KENNETH AUSTIN, Sophomore — Evansville
Tackle — Two-year Letterman

"Burly" was one of the lightest linesmen but compensated for this by his fighting spirit. Many times he moved men forty pounds heavier than he. He was selected as an all-conference tackle in the Pioneer League.

JIM SELLS, Freshman — East St. Louis
Halfback — One-year Letterman

Jim was the "spark plug" of the squad. He was small but mighty and could find openings in the opponents line to go ahead for gains. He was also a surprisingly good defense man. He will be back for two more years.

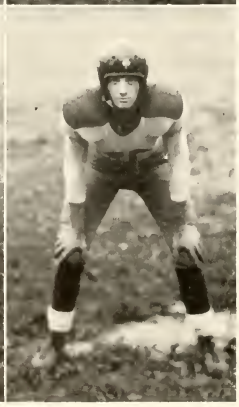


HOWARD HURSEY, Sophomore — East St. Louis
Tackle — Two-year Letterman

Howard was used as both a guard and a tackle. Although "Mad Dog" was handicapped for the greater part of the year by a bad ankle, he was a very competent linesman. He will return next year for his third season.

GENE BRIGGS, Sophomore — Granite City
Halfback — Two-year Letterman

Gene was again the same hard-driving back we remember from last year. He handled many of the passing duties, was a quick kicker, and a smart man for pass defense. He is looking forward to his third year at McKendree.

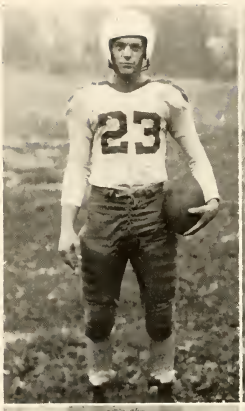


MASON HOLMES, Junior — East St. Louis
Center — Two-year Letterman

"Duke" was the largest man on the squad. He played center on offense and guard on defense. He was an outstanding defensive man and was selected as all-conference center. He will end his football record here at McKendree next year.

ELVIS ROSENBERGER, Sophomore — Centralia
Halfback — Two-year Letterman

"Rosie" was known as the "scat-back" of McKendree. Just one hole in the opponent's line and he was on his way. He also shared in signal calling and passing. He will be with us again next year for his third consecutive year.

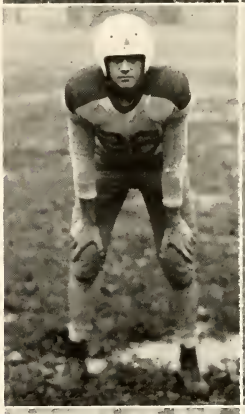


ED MADDOX, Freshman — West Frankfort
Halfback — One-year Letterman

"Banty" was a fast and very tricky player and was always a scrapper whether on defense or offense. He worked equally well from "T" or single wing positions and did his part in the Maddox to Dillard combination. He will be with us again next year.

RICHARD PITTENGER, Sophomore — Vandalia
Guard — Two-year Letterman

"Pit" united last year's experience with this year's ability to make a very fine guard. He was often found at the bottom of the center line "pile ups." He will be with us again next year.



ED GRANT, Freshman — Fairfield
Fullback — One-year Letterman

Ed handled the ball on spinners and reverses and was a hard-driving runner. He was also a very good punter and will be a very great help to the team next year.

ROY KATAYAMA, Freshman — Unity
Tackle — One-year Letterman

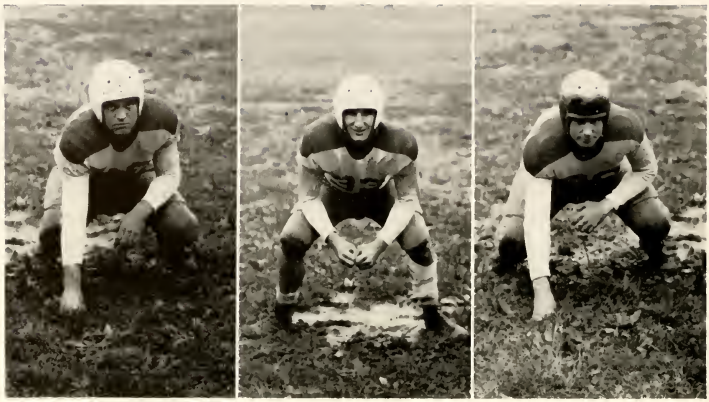
Roy played in almost any position with equal ability. When he was backing the line few men got by him. When he played tackle, guard, or center he was hard to beat. He will be even more valuable to our team next year.

CHARLIE ORD, Freshman — Lebanon
End — One-year Letterman

Charlie was a big, rough player who was always eager to learn the finer points of the game. He battled his way through the line like a veteran when at fullback position. He played both line and backfield and has one of McKendree's coveted touchdowns.

NEIL DILLARD, Freshman — West Frankfort
End — One-year Letterman

Neil was a competent ball player when he came to McKendree and very few players were able to get around him. He was a smart player, caught passes with ease, and had plenty of pep. He will be a valuable asset to next year's team.



FORREST BACHMAN, Freshman Lebanon
Guard One-year Letterman

Forrest was a small, very fast, hard-charging linesman. Although "Bach" had a rib injury, he was a hard tackler at all times. Watch for him next year!

BOB SIMPSON, Sophomore Belleville
Guard Two-year Letterman

Bob was quiet and always eager to gain experience. He was a "chunky" fighting guard and could be depended upon to do his duties at the line. He will be with us again next year.

JOHN CRUTCHER, Freshman Millstadt
End One-year Letterman

John took his first year of football in good stride. He was a good target and an able receiver. His year of experience will make him a valuable player next year.

FIRST ROW (left to right): E. Rosenberger, R. Simpson, N. Dillard, J. Crutcher, D. Cummins, E. Briggs, F. Bachman, E. Maddox, W. Rhodes, R. Cox, F. Babb. SECOND ROW: Coach Jonah, K. Austin, W. Nagle, E. Grant, R. Katayama, N. Austin, J. Sells, R. Ashal, V. Hearn, M. Holmes, C. Ord, E. Johnston, G. Pathenos. THIRD ROW: H. Hursey, R. Pittenger, R. Stadelman, E. Bogard, R. Anderson, R. The Women's Athletic Association began with a large membership this fall. The purpose of the organization is to encourage healthful living, goodwill, and fellowship among students.

The W.A.A. organized a basketball team and sponsored a skating party and several other social activities.

At its annual banquet, the W.A.A. presented letters to the athletes who had earned them by participation in various athletic activities.

CHEERLEADERS

Despite the small attendance at the games and the lack of cooperation from the people present, the cheerleaders are to be commended for the splendid work which they did. The time spent in preparation prior to each game was evidenced by the teamwork shown among them.

Their enthusiasm and good sportsmanship was evident and helped to make the games more interesting and enjoyable to both fans and players.

Features

1947 HOME-COMING QUEEN

A very talented and attractive sophomore, Miss Ella Ruth Jones, was chosen to reign over the Home-coming activities of 1947 on the "Old Hill." Ella was escorted to the throne by Elvis E. Rosenberger, captain of the football team. She was crowned Queen by the retiring special maid of 1946, Mrs. Robert Nelson, in a solemn and beautiful ceremony on Friday, October 17, which officially opened the celebrations of the Home-coming week-end.

The campaign which helped to elect Ella as queen was based on her admirable school record. Ella has been in the Clionian Literary Society, the McKendree Chorus, the Girls' Sextette, the Women's Athletic Association, and has been an untiring and vivacious cheerleader.

The coronation of the gracious Miss Jones, along with her presence at the remaining activities of the week-end, provided the charming touch to the 1947 McKendree Home-coming.

1948 QUEEN OF THE MAY

Miss Jean Harris, attractive, dark-haired senior, was chosen to reign over the festivities of the Maytime on the McKendree campus in '48. Miss Harris has been a McKendrean for two years. In that time she participated in journalistic, religious, and athletic organizations on the "Hill." This past year Jean was an assistant in the radio production work, and had one of the lead parts as "Hy" in the performance of the play production class, "Brother Goose."

Jean has also been active in the senior class and was elected Secretary-Treasurer for this year. Our Maytime Royalty was the second attendant to the Home-coming Queen in 1947.

The Queen's maid of honor, Miss Elizabeth Crisp of St. Louis, crowned the Queen of May.

"Tomorrow'll be the happiest time of all the glad new-year;
Tomorrow'll be of all the year the maddest, merriest day,
For I'm to be Queen o' the May, mother, I'm to be Queen o' the May."

"The May Queen," Tennyson.

Histories

CLASS OF 1948

Now that most of us have recovered from that horrid smell of pigs—or was it hogs?—the freshmen of the fall of '44, having become dignified seniors, wish to place here some of our most sacred memories for the enlightenment of posterity.

Ah, that fateful Thursday night! Woe to our perfect plans for a snack behind the shack during "Comp." Forced to leave the campus, we dodged into cornfields and finally escaped to O'Fallon. Hours later we came back to storm the chapel—unsucessfully, of course—and then to hunt for a resting place. Our choice—the only thing open that late—a pig sty! "Little Joe," 'Blackie," and Don Brown saw that form at the chapel window! Broadway stayed to protect the girls!

Ours has been the only class to have an exclusive wiener roast complete with "late pers" for girls. Harmony ran high inside the football field with "Shine On Harvest Moon," but upperclass girls were pacing up and down outside.

The sales record of Tipsy Topsy Toe Nail Polish must have soared high since the era of the plaid shirt trio, the Ozarkian preacher Hahs and sound effects Berger.

Officers of that memorable year were President Broadway, Vice-President Hanbaum, and Secretary-Treasurer Crisp.

In our second year we elected Thelma Troutt as our president. Who can forget Wilma Bonney at the reception hall piano, Virginia Drennan's "Oh, No" at the Christmas program, Donna Sanker's big, big diamond, and Billy Gene Hahs, Jr.? As sophs we sponsored a romantic yet spottily painful skating party at the Moonlight rink in Troy.

This was the year Mom Hertenstein's last daughter was married, and the freshmen rang the bell after the upperclassmen opened the belfry and said, "Just try."

With Lu Walker as our chief we took our responsibility as juniors and upperclassmen. During this year we sponsored a hay-ride which was enjoyed by all—especially those in the race for cider and doughnuts.

The banquet we sponsored as a farewell for our beloved seniors turned out to be an enjoyable meal, even though we couldn't have real chicken or tomatoes.

In our last year we are proud to be termed "seniors." During the freshman picnic we certainly ate our share of the food. We saw the redecoration of Clark and Carnegie Halls, and the influx of more and more ex-G. I.s. We have given the student body two presidents, Don Lowe and Clyde Funkhouser, both of whom our class is very proud. Clyde was also elected president of our senior class.

As we look backward on our journey, these and many more memories crowd into our minds. As we journey into the future, we hope that the years will be as eventful, interesting, and well spent as those here at McKendree.

THE CLASS OF 1949

As we look back, we have pleasant memories of many events here on the "Old Hill," such as, ringing the chapel bell, our freshman program, and the thrill of being a sophomore.

In four years ours was the first freshman class to ring the bell. With George Troutt, our president, as master of ceremonies, we gave a program for Janelle Kleinschmidt, our Home-coming Queen.

Last year was most memorable because of our accomplishments as a class. Again our candidate, Doris Phillips Brown, was chosen queen.

Our class is small this year, but the loyalty is still there. Our officers are Mary Hilton Sleeper, president; Mason Holmes, vice-president; Kenneth Walters, secretary-treasurer.

As time went by we realized our responsibility as students. Now looking to the future, may next year be a glorious one but may we not forget the traditions we must uphold as a graduating class of McKendree.

CLASS OF 1950

The close of this school year brings our class to a significant milestone along the road to higher education; we have reached the half-way mark. Although many changes have taken place among our ranks, we have come to realize how quickly two years can pass. Many friendships formed here on the "Old Hill" may well prove to be lifelong.

Among our accomplishments during the past two years, we take pride in having chosen the candidate to become Home-coming Queen for the '47-'48 season, not to mention our "dark horse" candidate who received alarming consideration. Our success in ringing the chapel bell as freshmen will remain with us as a pleasant memory.

We face the two years before us with a mixed feeling of anxiety and regret. Although the new decade will bring to us the diplomas for which we have worked, it will bring with it the last days at a fine old school.

CLASS OF 1951

Even though a vivid green glow emitted from the freshman class at the end of registration day, it was not long until we established ourselves as worthy McKendreans. We found initiation to be enjoyable if uncomfortable. The freshman girls in their last night of initiation displayed their enthusiasm by taking the long, long way back to the "Old Hill." We all blossomed out in our little green caps, and stayed off the grass (when someone was looking). We were reverent to the seniors, but they really didn't scare us. We again showed our school spirit when, under the leadership of our president, George Pathenos, the class worked together in an extensive advertising campaign for Joyce Crews, our candidate for Home-coming Queen. We saw her serve as first maid of honor, following the Formal Freshman Program, during which we displayed our talent and ability.

Sad to state, our ringing of the chapel bell was not official. Our picnic, however, was a success, even though it did consist of hiding out in the weeds in order to eat our ice cream and bread—the upperclassmen enjoyed the rest of our food we've been told. Our class took on a doubtful undertaking, that of sponsoring Sadie Hawkins' week. Needless to say, it was a success.

We have contributed our share of talent and athletes, and have taken a part in all school activities. This year at McKendree has made a change in us both as individuals and as a class. We are grateful for what we have learned and are looking to the future years here on the "Old Hill."
